

Walton Trails

We have a selection of trails in and around Walton devised for entertainment, health and educational purposes. Each trail has a leaflet accompanying it, which can be found at the Walton Community Shop on the High Street, the Naze Tower, or the Tourist Information in season. You can choose from:

Wildlife Trail

The Naze is rich in wildlife and ecology. Learn more about why it is a Site of Special Scientific Interest.

History Trail

A trail in and around the town highlighting some of Walton's main industries and historical features.

World War Two Trail

This trail takes you back to World War Two. Learn how the Naze was utilised during the war.

Little Explorer Trail

For families and young children, tactile signs guide you around things to do and discover in Walton.

Walton offers a wide range of accommodation, some with sea views, all minutes from the beach!

Beaches

Walton has some of the best beaches in the country, with miles of safe sandy shallow water, ideal for families and small children. A team of seasonal beach patrollers are there to keep the seafront areas as safe and enjoyable for you as possible!

Accommodation

Visit our website (below) for more info on where to stay, including bed and breakfasts, hotels and holiday parks, all just minutes from the sea, or call us for more information on: **01255 677006**
